

Rubric for Step 2:
Name:

Rate how well the student:

- Compared his/her recommended age requirements for compulsory military recruitment to those established by the CRC:
 - Outstanding (Identified at least four places where own opinion was in conflict/agreement with the CRC)
 - Excellent (Identified at least three places where own opinion was in conflict/agreement with the CRC)
 - Good (Identified at least two places where own opinion was in conflict/agreement with the CRC)
 - Adequate (Identified at least one place where own opinion was in conflict/agreement with the CRC)
 - Poor (Did not identify any places where own opinion was in conflict/agreement with the CRC)

- Cited the CRC
 - Outstanding (Cited all of the conflicting/supporting sections of the CRC, and gave a detailed explanation as to how they were conflicting/supporting own opinions).
 - Excellent (Cited most of the conflicting/supporting sections of the CRC, and gave a detailed explanation as to how they were conflicting/supporting own opinions)
 - Good (Cited some of the conflicting/supporting sections of the CRC, and gave a satisfactory explanation as to how they were conflicting/supporting own opinions)
 - Adequate (Cited at least one of the conflicting/supporting sections of the CRC, and gave a satisfactory explanation as to how it was conflicting/supporting own opinions)
 - Poor (Did not cite any of the conflicting/supporting sections of the CRC, and gave no explanation as to how they conflicted/supported own opinions)

- Compared his/her recommended age requirements for voluntary military recruitment to those established by the OP:
 - Outstanding (Listed two of his/her own recommendations, and identified at least two places where own opinion was in conflict/agreement with the OP)
 - Excellent (Listed two of his/her own recommendations, and identified at least one places where own opinion was in conflict/agreement with the OP)
 - Good (Listed at least one recommendation, and identified at least two places where own opinion was in conflict/agreement with the OP)

- Adequate (Listed at least one recommendation, and identified at least one place where own opinion was in conflict/agreement with the OP)
- Poor (Did not identify any places where own opinion was in conflict/agreement with the OP)
- Cited the OP
 - Outstanding (Cited all of the conflicting/supporting sections of the OP, and gave a detailed explanation as to how they were conflicting/supporting own opinions).
